

# Ditton Lodge

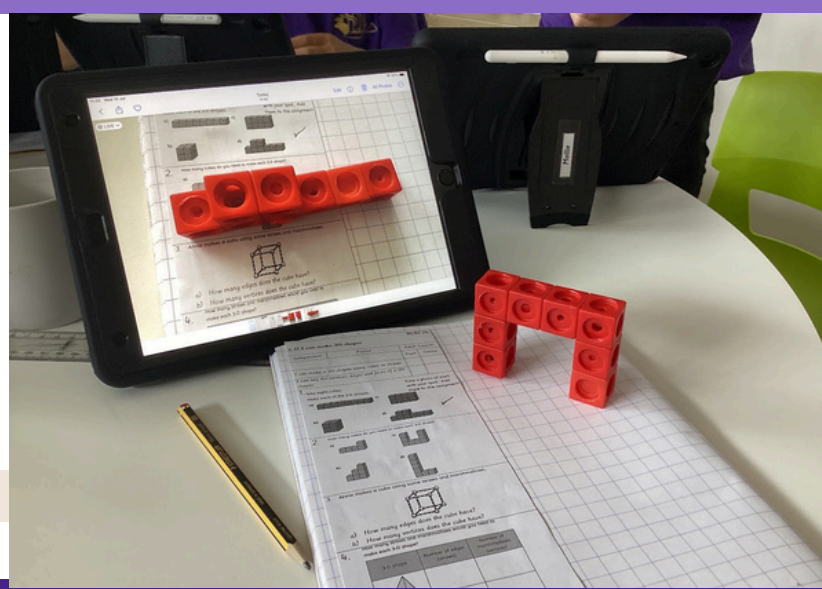

*A message from  
Mrs Tweed*

*It's hard to believe that we only have one week left. We are really proud of how children have shown kindness to one another over the last week or so. They really are great children.*

*On Tuesday, we plan to reward the children for all their hard work this year by providing a Roller Disco involving scooters, lights and music for each class. We hope that the children enjoy it and have fun!  
Have a super weekend.*

## *This week our class spotlight is on Year Four*

*Year 4 have been enjoying their learning this week. In English, the children have completed their newspaper reports about their visit to the Jarman Centre. A particularly tricky task, as they had to write in the third person and publish their reports using their computing skills. In Maths, the children have been learning about data and how it is presented in pictograms, bar charts and line graphs. They have also been learning how to plot points with increased accuracy. The children have worked hard to develop their swimming skills this term and have learnt how to stay safe in water. The children represented Ditton Lodge very successfully at The Jarman Centre and have made the Year Four team very proud. Well done Year 4, you are all superstars!*

# Ditton Lodge

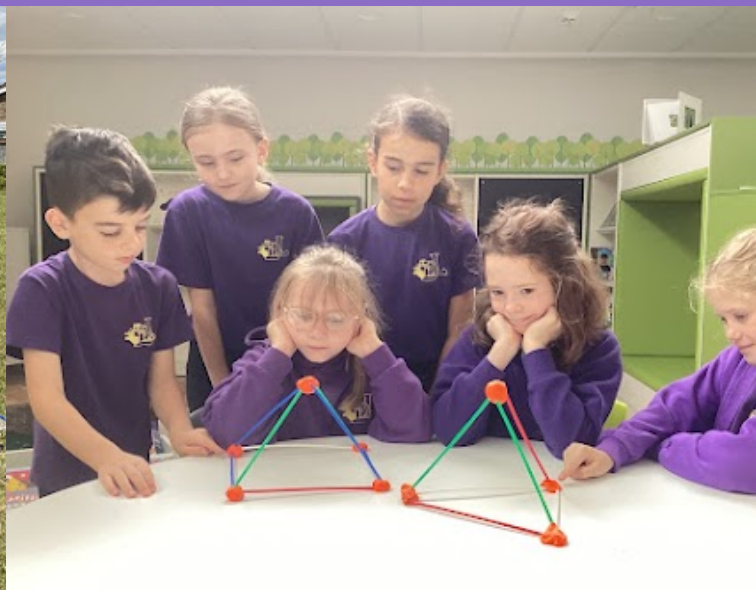

*This week our subject spotlight is Children's University*

*Many of our Children's University graduates attended an evening graduation ceremony at Newmarket Academy last week. Awards were presented for children who had completed 30 hours (bronze award), 65 hours (silver award), 100 hours (gold award) and 130 hours (bronze certificate). It was a wonderful opportunity to recognise and celebrate all the extra activities these Year 4 and 5 children have been participating in beyond school. This was our first year participating in Children's University and it has been fantastic to see so many children embracing it. We look forward to continuing to grow the programme and seeing even more children graduate at the next ceremony.*
