Monitoring

w/c 12/4/21 Pupil Voice questionnaires.

These highlighted that all pupils had a trusted adult in school that they could turn to in school. A common theme thorough all years was the pupils desire for more play times and PE times. **Action**: PE lessons are sacrosanct. No interventions will happen during PE sessions so that all pupils can participate in two full PE sessions a week.

w/c 19/4/21 SFA monitoring

This was a very positive round of monitoring showing:

- SFA English teaching is happening every day for all pupils
- Pupils are enthusiastic and engaged
- More consistent use of cheers
- Better pace to lessons
- SFA resources and working walls are used in all classes
- Cooperative learning techniques are being used more consistently
- Hand signal for behaviour management being used more consistently
- Pupils are answering more in full sentences orally and in written responses
- Next steps: Consistently use of Think Pair Share for all pupils to ensure all pupils given appropriate time to formulate answers so all pupils achieve

w/c 26/4/21 Whole school review by Sir Robin Bosher on behalf of Unity Schools Partnership.

This was a rigorous and intense day with Sir Robin. He was extremely positive about his findings. Headlines:

- Ditton Lodge is a really good school and can be even better
- The school is working well and no fundamental changes required
- The curriculum is making an impact seen in results and student feedback

See full report in Governor Hub **Unity Trust Ditton Lodge April 2021 written report**. I have taken his next steps and created a summer action plan as part of our school development plan. See **Summer Development Plan 4**th **May 2021** on Governor Hub

School Evaluation Form (SEF) and School Development Plan (SDP)

Both of these were scrutinised by Sir Robin as part of his review and were commended as showing a detailed and accurate analysis of the school and a clear vision for the way forward. See updated impacts within **Ditton Lodge Primary School SDP 2020-2021** in Governor Hub SEF has been updated (see **DL SEF September 2020** on Governor Hub) and will be updated further to reflect Sir Robin's recommendations regarding additional curriculum pedagogy information

Each child is given a risk score 0-9

- 0= Expected (Based on current rate of progress, will secure Expected Standard)
- 1 =Intervention (Based on current rate of progress is likely to achieve Expected Standard but may require some additional support)
- 2 =Key marginal (Based on current rate of progress, will not achieve Expected Standard but with the right forensic support, has the potential to do so)
- 3= Progress Group (working below expected standard- requires specialist support)

Any child who has been identified as amber or red as they have not been on track consistently for the last three reading assessments is receiving reading intervention.

Curriculum Catch Up Intervention

With an emphasis on reading intervention and the priority of ensuring that all pupils are at age related for reading, we have continued to run our evidence interventions of EasyRead and Tutoring with Lightning Squad. We have increased our Tutoring with Lightning Squad intervention with Miss Lewis carrying out intervention on a Thursday. Sarah Liming is continuing her intervention on a Monday through The National Tutoring Programme's SP Tutors, so that we are able to tap into the governments scheme to pay 75% of tutoring costs with 10 pupils across year 2, 3 and 4 who are not yet at the expected standard for reading

Thank you, Governing Body, for your continued balance of challenge and support. This has been a rather full-on start to the year, but I am proud to be Headteacher at Ditton Lodge. I greatly appreciate the support from USP, especially Stephen Astley, and my colleagues, especially SD, KB and ABa- who continue to be the most fabulous SLT. They have really supported me as always and I am extremely grateful to them for their determination to do the best for the community of Ditton Lodge. I am extremely proud of all of our staff and how they tirelessly give of themselves each day. The children will always be the reason I get up in the morning and do all that I do. I will continue to strive to ensure they continue to receive 7 years of excellence during their time at Ditton Lodge.

B6 Pupil premium/Primary Sports Premium /Covid Catchup Funding Pupil premium:

We currently have 26 children receiving PP funding. The children work individually or in pairs with Mrs Nicholson each week. Mrs Nicholson is continuing with her lunchtime clubs. Many of these are focused on friendships. TAs and teachers are all very aware of PP children and are planned for carefully and with thought for SFA and Maths.

Primary Sports Premium:

Funding spent this year has been on -

School to buy into Forest Heath Partnership provision; School is able to buy additional packages through the Forest Heath partnership; replace and restock existing equipment; sportswear; annual inspection of equipment; line marking; running track repairs; trophy engraving and sports badges for events; purchase of new PE equipment; specialist sport storage; specialist staff.

Covid Catchup Funding:

S Liming, Z Lewis and A Schicluna (trainee teacher) are delivering 1-2 sessions with children in Years 2,3 and 4 who are not at the expected standard in Reading. The sessions are using an SFA programme called The Lightning Squad. Children in Years 3-6 at risk of not achieving in reading are also following a reading programme called Easy Read each morning. This is led by Teaching Assistants.

B7 Looked after children - verbal summary report:

Two meetings have taken place to share paperwork in preparation for transition to BVC Secondary school for one of our pupils. BVC will be coming to visit the pupil in school and after half term the pupil will be having a number of transitional days at BVC. Applying for therapy for this child is proving a real challenge in the current climate. Another Post LAC child in upper KS2 is currently struggling at home at bedtime. Family is in close contact with class teacher and TA daily. There are regular phone calls and emails made which are recorded in CPOMS. School and home are due to meet with therapist next week.

CS thanked our visiting observers for attending the meeting before commencing with the remainder of the meeting
